Question 2*

Question 2:

Which Model-View-Controller (MVC) Microarchitectures have you used in your Flex projects? ... (Multiple selections possible)

Cairngorm 2	44	17.96%
Mate	18	7.35%
PureMVC	34	13.88%
Robotlegs	22	8.98%
Parsley	32	13.06%
Spring Actionscript	8	3.27%
Swiz	29	11.84%
I do not use any MVC Microarchitectures that are mentioned here in my Flex projects	21	8.57%
I use MVC Microarchitectures which are not mentioned here	5	2.04%
I have developed my own MVC Microarchitecture(s)	32	13.06%

Question 3

Question 2.1 (Only Optional):

In case you have used other MVC Microarchitectures ... Could you please provide the Name & the Link to these MVC Microarchitectures ...

(Three choices possible)

Another MVC Microarchitecture (Name & Link):	Another MVC Microarchitecture (Name & Link):	Another MVC Microarchitecture (Name & Link):
Flaemo	Bixbite	All Design Patterns, not only MVC
Pure MVC MultiCore pattern		
http://demo.vthinksolution.com/SocialWall/index.html	http://www.vthinksolution.com/demo/vgs/index.html	http://demo.vthinksolution.com/profilemaintenance/index.html
PureMVC	Cairngorm	
Cairngorm2 modified		
1		
http://joeberkovitz.com/blog/reviewtube/		
Spring Actionscript & http://www.springactionscript.org/		

Question 4*

Question 3:
Which Cairngorm 3 Libraries have you used in your Flex projects? ... (Multiple selections possible)

Design by Contract Library	4	2.26%
Observer Library	9	5.08%
Popup Library	17	9.60%
Task Library	14	7.91%
Validation Library	13	7.34%
Navigation Library	10	5.65%
Module Library	7	3.95%
Persistence Library	2	1.13%
Integration Library	4	2.26%
I do not use any Cairngorm 3 Libraries in my Flex projects	97	54.80%
